Wesleyan College

ONE OF THE LEADING INSTITUTIONS OF SOUTHERN METHODISM FOR THE EDUCATION OF YOUNG WOMEN

Wesleyan deserves the confidence and support of all of our people because:

1. It is the property of the church and thoroughly loyal to its teachings and ideals.
2. It is one of Methodism's best equipped colleges for women, and the Faculty is composed of efficient teachers trained in the best colleges and universities of Europe and America.
3. Its standards are high and the institution lives up to them.
4. It pretends to do no work for which it is not equipped.
5. Wesleyan offers the best college courses in the Languages, Literature, the Sciences, Mathematics, History, Economics, the Bible, Philosophy, Education and Home Economics. It also maintains strong departments of Music, Art and Oratory. In these branches of study there is ample opportunity for election of those courses suited to the individual tastes and needs.
6. The student must be a high school graduate and present at least fifteen units of high school work for entrance. There are no sub-Freshmen.
7. The College makes the best possible provision for the physical, social and spiritual welfare of the students.
8. The students come from the best homes of the country and constitutes one of the finest groups of young women in America.
9. Wesleyan has the greatest alumnae body in the South.
10. The rates are reasonable.

PART III.—REPORTS

BOARD OF MISSIONS

REPORT No. 1

Your board would remind you of the scope and variety of the responsibility you have laid upon it. You have committed to it the care of your conference missionaries, missions, missionary funds, your evangelistic activities and your evangelists, together with the whole missionary program of the General Board, both home and foreign, insofar as it is related to this conference. Upon us lies the heavy responsibility of more than fifty missionaries, their families, and the missions they serve. We must take under review the need for establishing new missions, for discontinuing missions already established, for changing boundaries of missions, for making appropriations and for increasing or decreasing them. You will therefore not be indifferent when we ask your sympathetic co-operation and your prayers, that in all our ways we may be guided and helped by the Spirit.

GENERAL BOARD

Our General Board reports to us that in all its fields and departments of work the year has been one of marked advance. For the first time our church has invaded war-torn Europe and enterprised missions in several of its states.

ROGER DODD, *Florida Centenary Treasurer.*

Ten per cent. of the amount collected on pledges is returned to us for use in promoting our conference missionary work. Of this amount twenty per cent. has been set aside as a reserve fund to meet emergencies. The remainder will be used in making appropriations to our conference missionaries. The amount we shall receive for this purpose depends largely upon whether or not the more than \$100,000.00 due and unpaid on pledges is collected and in the hands of Roger Dodd by December 30. It is therefore of first importance to secure these collections. For unless we do our treasury will lose that much and our missionaries will lose it, too.

CONFERENCE MISSIONARY

Last year we employed Rev. C. H. Summers as conference missionary. It was our aim that by his help a number of "A" grades missions might be brought to self support. It is the judgment of your board that such a man can be profitably used from year to year. But in view of the number of men now on detached service and of the requirements of the Educational Movement of this year, the board did not deem it wise to employ a man for that purpose this year.

CONFERENCE MISSIONARY SECRETARY

We are urged by the General Board to continue employing a conference missionary secretary who shall give all his time to the work of the Conference Board of Missions and the Centenary Commission. We think this a most needful thing. Our secretary, Dr Ira S. Patterson, has been in labors abundant and fruitful. We ask for his appointment again as conference missionary secretary.

ADMINISTRATION MATTERS

The policy of grading our missions into three grades, A, B and C, has produced such good results that it will be made permanent. The figures set opposite the charges in the list of appropriations indicate the grade and the number of years within which it is expected the charge will become self-supporting.

The plan of having our missionaries make quarterly reports has proven valuable and will be continued.

The plan of having all requests for appropriations to missions made on blanks provided by the board has proven helpful, and the board believes that it will be even more helpful to require that the quarterly conference shall officially make the request. Of course this cannot apply to new missions.

The policy of requiring our missionaries to secure the permission of the board before engaging in any secular work has been a wise one, and will be continued.

The policy of creating a reserve fund has enabled the board to meet several emergencies and has averted the necessity of borrowing and paying interest.

The board has done its utmost to handle your money with a strict economy.

It will be seen that we have increased our missions from sixty-one last year to seventy this year, and the amount of our appropriations from \$17,900 to \$19,200.

It is worthy of note that the average salary of our sixty-one missionaries for the year just closing has been, as nearly as we can estimate, \$1,171.00—an average increase of \$471.50 since 1916. But we yet lack \$300 of the average salary which a government has recently declared the minimum salary for a family.

EVANGELISM AND EVANGELISTS

It is a matter of profoundest gratitude to note that the evangelistic fires have burned on almost every altar this year, and that the number of revival meetings and the number of additions to the church on profession of faith has been unusually large. At the beginning of the year we desire again to urge all our pastors, especially our missionaries, to give themselves earnestly and definitely to the promotion of a revival in their charge. This is the end toward which, and for which, all else is. We have not been able to compile statistics showing the exact number brought into our churches by the pre-Easter campaign last year, but enough evidence is at hand to show that the campaign was abundantly fruitful and that if every pastor had lent himself fully to it the results would have been much larger. We recommend that a similar campaign be conducted this year and urge all our pastors and presiding elders to give themselves whole-heartedly to it. We suggest that at least thirty days prior to Easter be given to this campaign.

Our evangelists have been in labors abundant and fruitful. Their reports show that our pastors have used them to good advantage and largely in preference to others. This is as it should be. Our pastors, as far as possible, should use the men our conference endorses and recommends.

RECOMMENDATION OF EVANGELISTS

We ask your concurrence in our recommendations to the Bishop presiding that he appoint Rev. Ira S. Patterson Conference Missionary Secretary, (as provided for in Par. 289 of the Discipline), that Rev. J. S. Chapman be appointed Conference Evangelist under the direction of the board, but not supported by it (as provided for in Par. 286 of the Discipline).

We endorse and recommend as evangelists, (as provided for in Par. 286 of the Discipline), the following local preachers: Rev. John B. Culpepper, Rev. Will H. McLeod, Rev. Frank P. McCall, Rev. T. E. York, Rev. C. R. Rowell, Rev. Amandus D. Buck, Rev. Henry L. Ezelle and Rev. S. A. McCook.

REPORT OF THE BOARD OF EDUCATION

REPORT No. 1

In submitting to you this, our annual report, we do so realizing that as a board and as a great church we have come to a day of our greatest

responsibility, with a corresponding opportunity to meet the obligation of touching the church life and the world with a power more vital than at any time in our church's history, in that we are to meet and embrace our opportunity in the monumental work of the Christian education movement, which we have as inheritance of the faith of our fathers in God's answer to their prayers.

With profound gratitude we note the prosperity of Emory University and the planned provision of its leaders for building here in the South an institution that will meet all of our educational needs and one that will become the full realization of the vision of its founders. We urge upon every member of this conference the careful study of the Chancellor's printed report submitted to us.

Our mother college for women—Wesleyan College at Macon, Ga.—is enjoying a prosperity in patronage and administration heretofore unequaled in its history. More than 300 applicants seeking the benefits of this college had to be turned away for the want of room.

Our own Southern College is becoming more and more the vital factor in the hearts and lives of our people. After an expenditure of more than \$21,000 in permanent improvements and enlargements since our last session we found it impossible to provide for the applicants knocking at our doors. We ask you to note that fifty-two preachers have come from your institution into your ranks and that there are now twelve ministerial students at Southern. These, with many Christian leaders among our laymen and women, are some of the returns for the labors and sacrifices made for this institution. The spiritual atmosphere of the college as detailed in the report of the pastor, Rev. Geo. F. Scott, and the devotion to the maintaining of high Christian standards among the students by Dr. and Mrs. Alderman and the members of the faculty deserves the deep appreciation of every member of our church.

We see in the general educational movement our opportunity for equipping Southern College to do the work for which it was founded, and we submit to you with our hearty endorsement, the plans and purposes of the Educational Commission created by our last General Conference, urgently recommending that you accept the quota allotted to our conference both of approved and surplus askings for this work, and ask that you adopt the following resolution:

Whereas, We feel our responsibility jointly with the other conferences to focus our attention this year upon all the processes of Christian education in the home, the church and the schools;

Be it resolved, 1. That the Florida Annual Conference co-operate most heartily in the plans of the Educational Commission's objectives in carrying out the instructions of the General Conference;

2. That we take all proper steps to fix the attention of all our people upon the fundamental place of Christian education in the life and mission of our church and that to this end we urge pastors to preach and teach, and laymen to lend their influence in every possible way;

3. That we call upon our people for their prayers in behalf of the presidents and faculties and trustees of our schools, for the attendance of our young people upon them, praying especially that the right young men and young women may be led to give their lives as preachers, missionaries and trained workers, and that these schools may supplement the work of home and church in leading the young people of this generation to the acknowledgment of Christ as their Lord and Master in whatever work they may choose;

4. That we call upon our churches to co-operate in a manner worthy of the impelling need of our Christian Education Program in arousing every member to an appreciation of his or her responsibility, that every member may secure an adequate conception of Christian education and its place in the church and world, that our church may make a great

spiritual contribution to our world, and that we may give the fullest financial support in the collections to be taken in the spring;

5. That we appoint a Conference Educational Commission to be made up as follows: L. P. McCord, Jacksonville, Fla.; Rev. W. F. Dunkle, Tampa, Fla.; Rev. I. C. Jenkins, Gainesville, Fla.; G. W. Tedder, Madison, Fla.; Rev. E. C. Calhoun, Ft. Pierce, Fla.; Rev. S. W. Walker, Sanford, Fla.; L. N. Pipkin, Mulberry, Fla.; Dr. J. H. Therrell, Ocala, Fla.; Rev. R. I. Barnett, Jacksonville, Fla.; J. Edgar Wall, Tampa, Fla.; L. W. Duval, Ocala, Fla.; Rev. J. F. Bell, Lakeland, Fla.; Rev. J. H. Daniels, Largo, Fla.; Rev. John A. Hendry, Plant City, Fla., and E. T. Roux, Plant City, Fla., for the purpose of co-operating with the Connec-tional Educational Commission and for putting in operation the necessary plans for securing the support of all our churches for the movement;

6. That we request the appointment of R. H. Alderman, president Southern College, and Olin Boggess, E. M. Stanton, professors; Dr. S. W. Lawler to be our Conference Educational Secretary to be the full time executive of the Conference Educational Commission, and that we pledge such secretary, when appointed, our full loyalty and support; and,

7. That we assume as the quota for this conference the sum of \$774,-500.00, and authorize the Conference Educational Commission, with the help of the presiding elders, to divide this amount equitably among the churches of the conference.

Tallahassee, Fla., Dec. 9th, 1920.

L. W. DUVAL, *Chairman,*

JOHN A. HENDRY, *Secretary.*

REPORT No. 2

We submit, for confirmation, the name of Dr. W. O. LeMasters, of Lakeland, Fla., elected by the Board as its Secretary of Education.

We also recommend to the presiding Bishop, Dr. R. H. Alderman to be appointed as president of Southern College, and Dr. Olin Boggess and E. M. Stanton, Jr. to be teachers in Southern College.

We have appointed a visiting committee to visit the college during the school term, said committee being Rev. W. C. Carpenter, Rev. H. G. Davis and R. E. L. Farmer.

From the reports filed by the various pastors in the conference we find that out of an assessment of \$18,000.00 there was raised during this year for education the sum of \$14,329.

We endorse the holding of the Summer Training School at Southern under the joint management of the Board of Missions, Sunday School Board and our Board in the summer of this year, and recommend that such school be held annually. We urge our young preachers to attend these training schools, and request the examining committees to co-operate with us in securing their attendance, and appropriate \$600.00 for same.

Respectfully submitted,

L. W. DUVAL, *Chairman.*

JOHN A. HENDRY, *Secretary.*

REPORT OF BOARD OF TRUSTEES OF SOUTHERN COLLEGE

As Methodists of Florida, we have profound cause for gratitude and praise to God for His manifest and rich blessing upon our Southern College during the past year. Our high standard for scholarship has been maintained. The academic efficiency of our faculty compares favorably with our best schools. Our college is the only institution of Florida that must submit itself to an inter-state board of classification; but it does, and it stands the test. For ten years Southern College has been listed by the General Board of Education of our church as an institution of

accredited college grade. Never in the history of the college has the quality of work done been surpassed, if equalled, by that which is being done in this present session. To our graduates, upon application, the State grants teacher's certificates without examination. The graduating class of last June was the largest that has gone out from the college for several years past, in number equalling that of the department of liberal arts of the State University. Yes, it is real college work that we are doing at Sutherland, and every Methodist of Florida has a right to the facts and ought to be put in possession of them. The one supreme thing that Southern College needs at this particular time, after the blessing of Almighty God, is a decent and deserved, a fair and adequate introduction to all Florida Methodists. We beg of you, therefore, brethren, that you acquaint yourselves and your people with the gladdening and hope-inspiring facts concerning our college at this present time. We assure you that if you will do this you will readily realize that the very finest returns are sure from all your labors of loyalty and love in the interest of Southern College.

Dr. R. H. Bennett, who visits all the colleges of our church, has this to say of Southern: "On my visits to Southern College I have been agreeably surprised with the beauty of the grounds, the imposing and neatly kept buildings, the satisfactory table fare, the cordial spirit of co-operation between the efficient president and his faculty, and above all, the prominent emphasis laid upon the religious life in the institution." Rev. S. A. Stewart, who held our revival last spring, in which the entire student body, except those who were absent at the time, were reached by the Gospel appeal, said that the spiritual atmosphere at Southern surpassed that of all other institutions that he had visited in his extensive work among the colleges of our church.

According to the reports of President Alderman and our Sutherland pastor, Rev. G. F. Scott, the spiritual life and Christian purpose of the faculty and among the students were never better at this stage of the school year. The faculty is a unit in its desire and earnest efforts to prepare the way for God's blessing upon their labors and upon the superb student body under their tutelage and care. The pastor, the Epworth League and the Sunday school are all definitely praying and zealously working toward this same end. Several voluntary prayer groups have been formed among the students, at the suggestion of students, which meet daily and are interceding before God in behalf of their unsaved school mates. The mission study class has grown to such proportions that it has become necessary to divide it into four sections, the class including at least one-fourth of the entire student body. Fifty-two students are enrolled in the Life Service Band, six are volunteers for special missionary service and thirteen are preparing for the ministry. A distinguished layman and successful business man of this State has within the past week made the following significant and very true statements. The first: "If Florida Methodism is to have leaders, preachers and missionaries, they are to be trained in Southern College." And the other: "If we business men are to have a loyal and competent organization, we must have Christian education." Brethren, let us never forget or fail to appreciate this fact, that our conference college has given to us already fifty-two preachers, not to speak of the hundreds of men and women of our hundreds of churches throughout Florida and elsewhere, who are today pursuing Christian ideals and fighting for Christian principles because of the start and training they received at Southern College and at the old Florida Conference College in Leesburg.

You will be delighted to know that the enrollment of the college is forty-five per cent. above the splendid record of last year. During the past summer we substantially increased our dormitory capacity and thus provided for the accommodation of fifty-six more boarding pupils. These

extra rooms were quickly claimed by eager applicants, and for days before the opening of the fall term we were turning away pupils for the lack of still more rooms.

We are deeply grateful to God for this heartening new era of prosperity and bright promise in our educational enterprise, and it is our confidence that our people will not fail their one and only institution in this great and growing State in this its day of glorious opportunity and urgent need, the need so manifestly growing out of the unparalleled opportunity, that has at last come to us in the gracious providence of God.

BOARD OF CHURCH EXTENSION

With gratitude to God we note the spirit that is on all over the church to build or remodel church buildings to meet the needs of our enlarged church program.

At the meeting of the General Board in May, applications were made for aid to the amount of one and three-fourths millions of dollars to assist in the erection of churches. Only about half of this amount was available.

Applications for donations and loans aggregating more than \$15,000 came before our Conference Board, all worthy cases. Only a little more than \$4,000 was at our disposal.

Our J. C. Ley Loan Fund should be largely increased. The pastors of the churches receiving aid from this fund are earnestly requested to keep the interest and principal paid when due so that the money may go on its mission of relief and blessing.

The amount paid on the Church Extension assessment coming to our Conference Board was \$2,625.00, from the J. C. Ley Loan Fund special \$569.94.

Applications for aid were granted as follows:

REPORT OF SUNDAY SCHOOL BOARD

We are able to report continued advancement in the department of work committed to our hands.

At our last annual session certain definite objectives were set forth to the accomplishment of which the Board would definitely work. These objectives have been realized, with very good results.

The Training School, held at Southern College, was a success. More than a hundred students enrolled, and fifty credit awards were issued.

The attendance on the Training School, held at Lake Junaluska, N. C., was much larger than any previous year, and, our Florida representatives received more certificates of credit than any other conference represented.

The observance of Sunday School Day has been more general, and the results much more satisfactory than in any previous year. The offerings on this day have increased more than 250 per cent. over last year. In the Miami district every Sunday School observed this day and remitted an offering to the Treasurer of Board.

The schools of our conference have exceeded their Centenary quotas, and lead all the conferences in our church in the per capita payment for the Centenary.

The Wesley Bible Class Federation, held in Gainesville in October, was conducted on departmental lines. The attendance was very good, and the work done of the highest order.

The Jacksonville District Federation was a fine meeting, and productive of great help to the Wesley Bible Class work in that part of the conference.

In the Elementary Department there has been splendid progress. An Elementary Workers' Conference was held in Gainesville in connection with the Wesley Bible Class Federation. A considerable number of Elementary Workers were in attendance, and the work done for them was very fine.

We are fortunate in securing the services of our two field workers. They have been zealous, diligent and faithful in their service, and deserve our praise, co-operation and prayers.

It is our purpose to continue Dr. J. H. Therrell as Field Secretary, and Miss Lola Lawler as Elementary Field Worker, for the coming year.

Our plans for next year include: More general observance of Sunday School Day, a larger and better Training School in the summer, to be held at Southern College; larger attendance at the Junaluska Training School, more efficient district organization, District Wesley Bible Class Federations wherever practicable, a greater Wesley Bible Class Federation next fall, and a general advance in all phases of Sunday school work.

We desire, and request, the same hearty endorsement and support that has been accorded to us in the past.

Respectfully submitted,

S. W. LAWLER, *President*

A. H. COLE, *Secretary*.

REPORT OF EPWORTH LEAGUE BOARD

Your Board is pleased to report most substantial progress in all departments of Epworth League work during the past year. The number of local chapters now is 166, an increase over previous year of 7 per cent.; number of members 5,597, an increase of 15 per cent.; amount raised for missions \$2,724.00, not including \$700.00 sent direct, an increase of 60 per cent.; Anniversary Day offering \$137.00, an increase of 180 per cent., and collections for all other purposes of \$5,974.00, an increase of 60 per cent. Total raised \$9,535.00.

In most of the districts the work is going forward with great strides,

but in a few districts the condition of the League work is such as to call for our immediate concern and that we all work diligently to bring those districts up to standard.

The Summer Assembly, held at Southern College last June, was the most successful ever held and the influence of this great session has since been felt by the young people throughout the length and breadth of our State. New Leagues have been organized and old ones revitalized. Many of our young people have reached such degree of training in Epworth League work that the local churches have felt the effect of this training of the young people and in some localities there is no lack of leadership. The number of Life Service Volunteers in our conference now numbers over 100 and there were approximately twenty-five who volunteered at our last assembly. There are those who said they had never before seen such a spiritual meeting as was our consecration service during this assembly.

Out of fifteen city Epworth League Unions in Southern Methodism, Florida has four, and three of them are as wide-awake and progressive as any in the Southland. There is also another union in process of organization. The contribution of the Epworth Leaguers to the African Special, 30 per cent. of which goes to Latin work in Tampa, has made possible the erection of "Epworth Mission" in Tampa. The Epworth Leaguers of our conference will raise more than \$4,000.00 for missions this year.

The Epworth League is proving that it is the one thing needed and adequate to hold the young people to the church, bring to them spiritual growth and make of them the trained and enthusiastic leaders of our church of tomorrow. It has a definite and important place in the work of the church and we as a Board earnestly ask that the pastors of our conference earnestly support the Epworth League and make an endeavor to organize leagues in their charges wherever possible.

Your Board has outlined a constructive and progressive program for our Epworth League work during the coming year. We wish to devise means by which the few neglected districts may be reached and brought up to standard; to support the district secretaries more than they have heretofore been; that the members of the Board and the Presiding Elders will take advantage of the district conferences to put in some effective work for the Epworth League work of their respective districts, and that the co-operation of the ministry be secured to work for an increase of 50 per cent. in organized chapters during this year; also that the Epworth Leaguers, the ministry and the women of the church co-operate in organizing our younger people into Junior and Intermediate Leagues in correlation with the Young People's Societies; and that Anniversary Day, the second Sunday in May, be universally observed over our conference, the Epworth League taking charge of one of the church services on that day, or if no league, have some of the young people take charge. We ask for the co-operation of the pastors that each league may have at least one representative at our next Summer Assembly at Southern College next June, and that each pastoral charge where there is no league be also represented by some of the young people.

In order that these ends, and others, may be reached during the coming year, we ask again that the ministry of our conference as a whole appreciate the value of the Epworth League and help us to carry out this program.

We recommend the appointment of Rev. Karl Koestline in place of Rev. R. E. Smith, and Rev. H. A. Spencer in place of Rev. J. B. Rooney, as members of the Board.

S. A. WILSON, *Chairman.*

D. D. DIEFFENWIERTH, *Secretary.*

REPORT OF TRUSTEES ORPHANAGE

The Orphanage has had a successful, though a somewhat trying, year for the reason that the applicants are far in excess of the capacity of the home. The trustees have to be very exacting as to terms, and deserving cases now must be held up because of the lack of housing facilities.

The very best possible has been done for the children in our charge, but the condition mentioned has cost us an entire year of solicitude. Not only the comfort but the moral welfare of our children demands enlarged quarters—the growing boys and girls to be housed in separate quarters.

This is an absolute necessity and it would be very unwise and short-sighted to longer delay the matter.

The report of the superintendent is so complete that it is incorporated as a part of this annual report.

FLORIDA METHODIST ORPHANAGE

Your Superintendent of the Methodist Orphanage at Enterprise, Fla., begs leave to submit the following report:

At present there are forty-seven children in the Home, ranging in age from three to eighteen. During the year eighteen have been admitted, seven have been returned to guardians, one has been placed in a home, three are self-supporting, four have been sent to special schools.

Estimated value of clothing received, \$650; estimated value of food-stuff received, \$125.

Notwithstanding a most unfavorable season we have had a wonderful garden, raised by the assistance of the orphanage boys. More of everything was raised this year than last, with the exception of Irish potatoes and tomatoes, which, owing to wet weather, were practically a failure.

We canned 6,000 quarts of vegetables and fruit. Several hundred of these were canned for outside parties, and by this means we were able to partially pay for the cans we used.

We have 300 chickens, thirty ducks, one horse, two cows, one heifer and seven pigs.

Educational—All the children except two, who are too young to attend, are doing excellent work in the school. Three are doing corresponding work with the University of Florida; two are at Brevard, one at Sutherland, one at Montverde; twelve of the girls are studying piano, and all the children are trained in chorus singing in a class which meets weekly under the direction of Mrs. Louise Wilson.

The reading of the best literature is encouraged and only the highest grade of books and periodicals are allowed in the Home.

Religious—All the children over ten years of age are members of the church. All who are of proper age belong to Senior and Junior League. Every child is a tither and the Centenary obligation has been met in full. All attend Sunday school and careful attention is given to Bible study.

Last February we had an epidemic of influenza, but all cases recovered with no lasting ill effects. Since that time it has not been necessary to call in a physician for any case of illness among the children. They are now in excellent health, due largely to care of diet and food preparation, outdoor life with corrective exercise, and in warm weather swimming and diving.

The county visiting nurse and the doctors and dentists are very kind in giving valuable advice and gratuitous service when necessary.

Needs—The greatest and most pressing present need is for funds sufficient to build a dormitory for boys. The present sleeping quarters are far too crowded for the best moral and physical health.

Aim—The constant aim of the Superintendent is to make the Orphanage a real home and not an institution; to give careful, prayerful attention to the individual child, studying its weak and strong points, with due regard to hereditary traits and previous environment and to help it in every possible way to attain a well rounded and symmetrical development mentally, physically and spiritually.

The Superintendent asks of Florida Methodists not only a larger financial support for this branch of God's work, but a deeper and more sympathetic interest and a larger place in your prayer life. This is not the day for standing still, but for going forward, and the future of the Orphanage depends upon the loyal support and co-operation of every Methodist church in Florida.

Your Superintendent appreciates to the fullest extent the interest and generosity of many organizations now contributing to the upkeep of the Orphanage, but the work is seriously crippled in extent and efficiency because sufficient funds are not provided for the larger work which a united church, wide interest and support would make possible.

Recommendations—The trustees make the following recommendations:

1. That Rev. J. W. Austin be elected trustee in place of Bro. Inman, deceased, and that Rev. M. H. Norton be elected to fill the vacancy of Bro. Barnett, resigned.

2. Instruct the conference Commission on Finance to recommend an assessment of \$10,000 to be distributed among the districts as are the other assessments, and request the district stewards to lay the Orphanage assessments as a separate item from the conference work budget.

3. That the sum of \$25,000 be raised for building and other needed improvements.

4. That Rev. J. R. Cason be appointed superintendent and agent of the Florida Conference Orphanage and travel within the bounds of the conference in the interest of the work.

5. Instruct the Conference Treasurer to receive and handle the Orphanage money as a separate item.

6. Instruct the Conference Treasurer, in cases where District Stewards include the Orphanage assessment in the budget for conference work, to settle with the Orphanage Board on the basis of the percentage that assessment bears to the sum placed on the district for conference work.

7. That each fifth Sunday be observed as Orphanage Day, and that the pastors and Sunday school superintendents be requested to present claims of the Orphanage, and that collections be raised on the Orphanage assessment by free-will offerings from both Sunday schools and congregations.

REPORTS OF THE TRUSTEES OF THE FLORIDA CHRISTIAN ADVOCATE

The past year has been a difficult one for news publications generally, and especially for religious newspapers. The continued advance in publication costs has made it very difficult to maintain them.

We have been greatly aided in the publication of our Advocate by the generous co-operation of the Florida Methodist Publishing Company, which has placed the conference under renewed obligations by its service. We recommend that the publishing contract with this company be renewed for five years.

We recommend the reappointment of Rev. J. Edgar Wilson as Editor and Publishing Agent, and Rev. D. B. Sweat as Assistant Editor, and request that The Advocate assessment for next year be placed at \$4,000.

The Endowment Fund which The Advocate possesses has grown but slightly during the past year, but small as it is, it is nevertheless of great value to the paper. We request that the editor shall try to build up this fund, by voluntary contributions, to as large an amount as can be secured.

Inasmuch as the budget plan of circulating the paper possesses some advantages over every other plan yet tried, we strongly recommend that our charges adopt this plan wherever practicable, and put The Advocate into the home of all our people. Forty-four churches did this during the past year, and it is believed that every church doing so found the plan beneficial.

The coming year promises to be a difficult one in some respects. We urge that all our pastors co-operate heartily in circulating the paper, thus helping to overcome these difficulties the more successfully, and at the same time enabling our paper to minister the more helpfully to our people.

We recommend that Rev. J. F. Bell, Rev. Holmes Logan and T. J. Fraley be elected trustees of The Florida Christian Advocate for four years in the place of Rev. W. M. Poage, Rev. J. E. Miekler and L. N. Pipkin, whose terms have expired.

L. D. LOWE, *Chairman.*

J. D. MAJOR, *Secretary.*

BOARD OF CHRISTIAN LITERATURE

Since the printed Word reaches so many more people than the spoken Word, we would call the attention of our people to the great possibilities for God's Kingdom by a more extensive use of our publications.

We must heartily commend that excellent paper, the Nashville Christian Advocate, the Quarterly Review, The Epworth Era, to our preachers and people.

We are pleased to note that our Sunday School Literature continues to maintain its high rank, and urge that it be used by all of our Sunday Schools.

We are glad to report that our own paper, The Florida Christian Advocate, continues to grow in interest and efficiency. Our Advocate is

indispensable to the success of our work, and we urge our preachers and people to continue to work for its increased circulation until it is placed in the homes of all our people.

C. A. SAUNDERS, *Secretary*.

TRUSTEES PREACHERS' RELIEF FUND

We are gratified to report to you that this has been by far the best year in the history of the Board, and that the future of our work for our brethren on the "Honor Roll" is bright with promise. Through the wise and untiring efforts of our agent, Rev. B. K. Thrower, new homes have been secured at Orlando and Miami, and we have excellent prospects at Plant City, Lakeland and possibly other points. Our endowment fund has been increased by \$1,500 and larger gifts are in sight.

We respectfully request the reappointment of Rev. B. K. Thrower as agent of the Board for the ensuing conference year.

DISTRICT CONFERENCE RECORDS

Your Committee on District Conference Records have carefully examined the records of each of the nine (9) District Conference Records of the conference and found them neatly and properly kept. We wish to commend the district secretaries for the excellent manner in which their journals are kept.

We would recommend, however, that a more substantial book be used in the Tampa and Tallahassee Districts, as the common loose leaf books in use do not properly provide for the safety of such important records as those of a district conference.

Respectfully submitted,

J. E. SHEPHERD, *Chairman*

B. D. BOURN, *Secretary*.

COMMITTEE ON SABBATH OBSERVANCE

We beg to re-emphasize upon the conference, and the church and the Christian citizenship of the State the vital importance of the Christian Sabbath in our social and civil life.

We urge on our membership to give active support to the equal and uniform enforcement of our civil laws protecting the Sabbath.

We endorse the movement inaugurated in the Tennessee Conference, and endorsed by many other conferences, to secure a national Sunday law that will give the Christian Sabbath a fixed place in our national code and recognize it as a vital feature of our civil institutions.

And we ask the conference to appoint a committee composed of C. W. Mathison, T. W. Tomkies and I. W. Longacre to co-operate with the other conference committees in securing the passage of such a law.

We urge on our people a more strict observance of the Sabbath in its religious character. It is the Lord's day for service and study and worship—it should be the busiest day in the week in the Master's work of building the kingdom of God.

REPORT OF WOMAN'S MISSIONARY SOCIETY

The Woman's Missionary Society of the Florida Conference has had a year of good work. There are 141 auxiliaries (adult) with a membership of 3,969. The departments of young people and children are growing in interest and numbers.

For the first three quarters of 1920, \$12,866.81 was sent to the Treasurer. This amount does not include money expended locally on parsonages and in relief of the needy.

Of special interest is the work of the City Mission Board of Tampa. Under the supervision of this board a free clinic is maintained, a nurse is employed and in this way a large number are ministered to. The women of this mission do a great work, and are eager to serve in a larger way those whom God has put near them.

The prayerful interest of every pastor is sought, in order that the best work may be done.

PART IV.—MEMOIRS

REV. EDWARD F. LEY

Edward F. Ley was born in Micanopy, Florida, September 23rd, 1858. His father, Rev. J. C. Ley, was for more than half a century an honored member of the Florida Conference. Three of his sons, John B. Ley, Edward F. Ley and E. L. Ley, entered the Christian ministry and joined the Florida Conference.

The subject of this memoir was converted in early life and felt called to the work of the ministry but did not at first answer the call of God. The pleasures of life and the allurements of business life held him back from yielding to the voice of God. But the deeply religious life of father and mother and association with earnest and godly Methodist preachers led him later to give himself with full purpose of heart to the gospel ministry.

After spending some years as a student in Vanderbilt University, he was received on trial in the Florida Conference, January, 1882, at Monticello, where he gave himself without reserve to the ministry of the word, and looking faithfully after all the interests of the church. Early in his ministry he was happily united in marriage to Miss Lula Coffee, of Madison County, who proved a helpmate indeed through the years of their itinerant life. This union was blessed with eight children, six of whom, with devoted wife and mother, remain to mourn their loss.

He was a good and sound gospel preacher and abounded in labors as a pastor. He visited from house to house and his uniform cheerfulness and good cheer gladdened many hearts. In every place he won the love and confidence of his people and all who knew him held him in highest esteem.

In his ministry in Florida he served missions, circuits and stations. He was for one term Presiding Elder, and served for two years as editor of the Florida Christian Advocate.

Brother Ley was a devoted husband and father. He loved his home and was loved and honored by those nearest and dearest to him.

After completing four years of splendid service as pastor of Fort Meade Methodist Church, he was assigned to Hastings station. He had only entered his labors in his new field when in February, 1920, the Master called him suddenly from labor here to the higher services and enjoyments of the saints in light.

Servant of God, well done;
Thy glorious warfare's past;
The battle's fought, the race is run,
And thou art crowned at last.
In condescending love,
Thy ceaseless prayer he heard;
And bade thee suddenly remove
To thy complete reward.
Redeemed from earth and pain,
Ah, when shall we ascend,
And all in Jesus' presence reign
With our translated friend?

W. M. POAGE.

CHARLES WESLEY INMAN

Rev. Charles Wesley Inman was born June 25th, 1859, at Wadesboro, Ware County, Georgia. His name, Charles Wesley, reveals a Methodist parentage. These parents prayed for a preacher, baptizing him with that hope and a preacher was given.

The first years of his life, through early manhood, were spent in his native State. He was married to Miss Susan V. Knowles, of Homerville, Ga., April 2nd, 1878. To this most happy union was born eight children, one of whom, Charles Grady, died while young; Mrs. E. W. Steward, Kate B., now of the Women's College at Tallahassee; Mrs. C. L. Turner, of Montgomery, Ala.; Alfred H., now of Jacksonville; Willie and Charles, now in Albany, Ga., and Dorothy Louise with the mother, in Live Oak, survive him.

Brother Inman joined the Methodist church when a child; was converted in his own home in July, 1879. For more than forty years men knew where to find him. The year of his conversion he yielded to the call to the ministry, was licensed to exhort and was faithful in his duties and was active in that relation, being sought by his pastors and others for protracted meetings because of his evangelistic spirit and success. He came to Florida in 1881; in the fall of that year was licensed to preach. He preached his first sermon at White Springs. He served in the local ranks for several years.

Brother Inman came into the itinerant ministry in 1885. His educational advantages were few and his education was limited; his appointments were places for hard work and great privation; at times he was compelled to walk to his appointment and swimming swollen rivers—but always gladly and smilingly going from place to place preaching the blessed gospel which was the joy of his own heart.

For thirty-five years, by hard study and application, his was a steady climb in efficiency and usefulness until he was filling some of our best appointments with acceptability. Monticello was his last. One who knew him intimately through his ministerial career, said of him: "All who knew him can say that Brother Inman was 'chosen of the Lord' for a faithful and uncompromising preacher of righteousness; and in this the Lord was not disappointed. At all times he seemed to be saying, 'His word is the burning fire shut up within my house; I am weary of forbearing.' The gospel he preached was not his own for first of all 'It pleased the Lord to reveal His Son in him,' and thus the precious message was lodged in his heart by divine power, while he mused the fire burned. When he entered the pulpit his face talked before he uttered a word. His heart was hot within him, and his face was that of one who had a vision. When he 'uttered his voice the earth melted,' the earth of man's fallen nature. Fear took hold of men when he pictured the fearful consequence of a sinful life and when his raptured soul leaped heavenward and his message carried his hearers up toward the 'third heaven,' there followed a spiritual exodus from the lowlands of this present evil world. In fact, wherever Rev. Charles Westey Inman lived and labored the spiritual temperature of the community went upward."

Brother Inman was a man "full of faith and the Holy Ghost." Jesus Christ was a living reality to him. He prayed through difficulties to victory. He trusted in God in times of financial straits; on one occasion, in moving from one charge to another, he boarded the train with his family without sufficient funds to complete the journey; while en route a friend who knew nothing of his circumstances, handed him more than enough to meet his need. Many times God came to his relief in wonderful ways.

His sunny disposition and his open heartedness gave him access to both old and young. His love for men was the impelling force in his ministry. He drew men to him. This love was the Christian type. It caused him to be true to them, which at times brought opposition. His intense love for the truth gave him balance and enabled him to stand even while friends forsook him.

To the end his face was to the enemy of the King. The war drives and the great Centenary objective gave him a goal which actually con-

sumed his physical force; yet his vision grew larger, his aspiration and desire more intense. Only a few days before his death his wife asked him, in course of conversation, if his health should grow better, would he be willing to take a supply's place until conference? He answered, "It would be the delight of my soul. I would gladly walk to the appointment, if necessary."

Well does Browning's words fittingly express his life principle:

"Never turned back but marched breast forward, never doubted clouds would break;
Never dreamed, though right were worsted, wrong would triumph.
Here we fall to rise, are baffled to fight better, sleep to wake."

Brother Inman, on account of failing health, was superannuated at the last session of our conference, and with his wife and daughter moved to Live Oak, occupying the superannuate home, where he passed away on February 6th of this year. His body was taken to Jacksonville. The funeral services were held in Wesley Memorial church, which was completed while he was its pastor several years ago.

REV. ROBERT JAMES WELLS

Rev. Robert James Wells was born near Murray, Ky., January 16th, 1857, and died in Tampa, Fla., August 10th, 1920. He was one of a family of thirteen children. At the age of eleven years, while plowing in the field, he was happily converted. When he was nineteen years old he heard the call of God to preach, but he hesitated and waited until he was twenty-eight before he decided to give his life to the ministry. At that time he was made to feel that he would be lost if he did not preach the gospel. He prepared as best he could, sold his home and started out on his mission. His first appointment was in the State of Illinois in 1889, and for eight years he labored in that field. In December, 1896, he transferred to the Florida Conference, where he did faithful service until God called him to his reward. He served the following charges in this conference: Callahan, Seville, White Springs, Umatilla, Micanopy, Key West, Largo, Fort White and Rochelle.

Brother Wells was superannuated three times. The first time he remained out of active work only one year, and the second time two year. He loved to preach and it was a hard task for him to remain out of the pastorate. Six years ago, while on the Rochelle charge, he was forced to give up his work in the middle of the second year, and was on the superannuate list the balance of his life. He was devoted to the service of the Master, and it is estimated by those who knew him best that about fifteen hundred persons professed conversion under his ministry. He was first married to Miss Virginia Evans, August 31, 1876. Two of the children by this union survive him—Walter E. Wells, of Sanford, Fla., and Mrs. S. N. Igou, of Winter Haven, Fla. His second marriage was on November 4, 1888, to Miss N. J. Alexander, who, with her six living children, now mourn the loss of the devoted husband and father. The last six children are R. J. Wells, Jr., of Leesburg, Fla.; Mrs. T. L. Carter, of St. Petersburg, Fla.; J. C. Wells, of High Springs, Fla.; Mrs. Raymond Smith, of Dewey, Okla.; A. J. and Tullis E. Wells, of Tampa, Fla. The funeral services were held in Hyde Park Church, Tampa, August 11, 1920. The pallbearers were selected from the Methodist pastors of the city. We buried him in beautiful Myrtle Hill cemetery at Tampa, to await the resurrection of the just. A good man has gone to his reward.

REV. GEORGE SYLVANUS HENDERSON

Brother George S. Henderson was born June 1st, 1872, in Madison, Florida, and died in Seffner, Florida, August 22d, 1920.

He had been in uncertain health for several years, suffering from high blood pressure. Just prior to his death he was very weak, and on Sunday his family had insisted he should not try to preach, but having promised a friend to preach on a special subject, he began the service, never to finish it. Stricken with paralysis, he lost consciousness before loving hands could bear him to the parsonage near by. The end came in a few hours.

On Monday, August 23d, the funeral services were held by Rev. John A. Hendry, assisted by Dr. W. F. Dunkle, Rev. W. C. Fountain, Rev. W. J. Palmer and Rev. S. G. Meadows, in the Methodist Church at Seffner, and in the presence of a large concourse his body was laid to rest in the cemetery near by.

Brother Henderson was converted at the age of sixteen in a revival meeting held in Fort Myers, and it was then he felt the call to the ministry at that time. In the years that followed his experience was not satisfactory, though he was a friend to the church and loved his pastors.

It was a few years before I met him, in 1906, that he had been restored in a gracious experience of salvation. And now, pressing on, he sought and obtained the experience of entire sanctification. Then it was he was ready to respond to the call to preach, and in doing so he gave up a good home and a profitable business, but with the vision God had given him there was no other course for him. His ministry was fruitful in souls for Christ. For some time before entering the work of the conference he engaged in evangelistic work. After he became a pastor it was my privilege to engage with him in many meetings, and I never had more effective help.

He was a positive character. You knew where and what he was. In preaching, he knew no compromise. He studied the Scriptures faithfully, and having a most retentive memory he was able to quote many passages in his sermons. This trait of mind enabled him to get and retain more from the conference course of study than most men do.

He was admitted on trial in the Florida conference in December, 1907 in Tampa, Fla., having served two years as supply on the Brownsville Circuit. The following charges were served by him: Webster Circuit, four years; Micanopy, two years; Williston Circuit, two years; Punta Gorda, one year; Lawtey, one year, and was at Seffner for the second year at the time of his death. He was ordained a Deacon by Bishop Atkins in December, 1909, and ordained an Elder by Bishop Morrison in December, 1912.

Brother Henderson was married to Miss Ida May Brown from Illinois, on July 24, 1891. To them eight children were born. Two of the children preceded their father to the heavenly home. One son and five daughters are left with their devoted mother to mourn their loss.

Thus we chronicle a few of the outstanding facts of his life. More than that we cannot do. For it is not possible to express in words the real excellences of his life. God knew them, and his friends appreciated them. He had been urged by some of his friends and family to cease from the active work, but on one occasion he replied by putting his hand over his heart and saying: "When this stops beating I'll quit preaching." This was literally the case, for he ceased at once to labor and to live.

JAS. T. MITCHELL.

HENRY BASCOM FRAZEE

Henry Bascom Frazee was born in a college at Augusta, Ky., December 24, 1837. His father was Bradford Frazee; his mother, Miriam Allen

Brooks. His father was a Methodist minister, president of the college at time of his birth. Later he lost his life in the yellow fever epidemic in Louisville, Ky.

When H. B. was twelve years old he was converted; was licensed to preach by a quarterly conference at Plaquemine, La., June 20, 1857. He was ordained local deacon at New Orleans, December 14, 1866, by Bishop John Early; was ordained elder at Jefferson City, Mo., September 26th, 1868, St. Louis Conference, by Bishop Kavanaugh.

Before coming to Florida, among other pastorates, he served First Church, Little Rock, three years; First Church, St. Louis, two years. He refuged to Waverly, Texas, in 1862, from Louisiana, and was president of the college there three years. On his return to Louisiana he entered the regular ministry. He was married to Amelia Lewis in Opelousas, La., in 1860, who shared with him his trials until 1895, when she left him for the better world. He moved to Jacksonville, Florida, in 1876, where he served his first charge, old St. Paul's Church, now our First M. E. Church, South. He served the following charges in succession: Live Oak District, Jacksonville District, MacClenny, Ft. Myers, Lakeland and Plant City, Arcadia, Madison Ft. Myers, Apopka, Dade City, Largo, Palmetto, Bronson, Inverness, Mulberry. He was placed on the honor roll in 1906.

He was the father of three sons and two daughters: James L. Frazee, New York City; H. M. Frazee, Jacksonville; Dr. E. W. Frazee, Lake City; Mrs. O. P. Likins, Jacksonville; Mrs. H. A. Gruetzinacher, Dade City, who survive him.

He was gifted with the power of eloquent speech. The writer has witnessed him sway a multitude on several occasions. He was a great camp meeting preacher in his younger days, and was very fruitful in winning souls to Christ. His was no ordinary mind, but underlying the culture received from schools, was a native mental clearness and grasp, that would have lifted him into notice had he never had collegiate training.

He became noticeably frail, nearly a year ago, and gradually weakened during the summer, but his spirit was bright and cheerful, and he remained happy to the last. Saturday afternoon, November 20th, he was seized with apoplexy and passed to his eternal reward November 22nd, 1:30 a. m. He was seemingly unconscious until about two hours before his departure, when he opened his eyes and recognized his children who were present at his bedside, folded his hands upon his breast, closed his eyes, and passed peacefully away. He spent his last days in the home of his son, Harry, and was privileged to receive the ministrations of his daughter, Miriam, also, who lives in Jacksonville, and it was from this home his transition took place.

Burial services were held in Westley Memorial Church, Jacksonville, Rev. J. B. Rooney, his Presiding Elder, assisted by his pastor, Rev. D. D. Dieffenwierth, and his longtime friend, Rev. F. Pixton, conducting same. Rev. J. B. Mitchell lead in prayer, and each of the brethren above named paid tributes to his worth. Our pastors in Jacksonville were the pallbearers, and a large congregation of his friends were present. His body was carried to Starke, Florida, at which place a great concourse of people met the train and accompanied his body to the beautiful cemetery in that place, where he was laid to rest, beside the body of his wife, whom he buried there some twenty-five years ago.

Florida Methodism is more largely indebted to him than any of the present generation realize. He laid foundations upon which we are still building. The older members of the conference knew his value and will not forget his work.

When Henry Bascom Frazee's spirit left his body his brethren of the Florida Conference could say, "A prince and a great man in Israel" hath

ascended this day. It is not a time for sorrowing, but rejoicing at his completion of life's task. He had wrought long and well on earth. We joy in the assurance of his blessedness in Heaven. He often doubted his own strength but never that of God.

While we grieve to lose his presence here, shall miss him in our midst as we gather in annual meetings each year, we are proud of the noble heritage he left us; his goodness and unselfish service for mankind. We will strive to emulate his virtues and to meet him in the Father's presence on high. "Servant of God, well done! Rest from thy loved employ."

IRA S. PATTERSON.

MRS. ADDIE RUTH DIEFFENWIERTH

Addie Ruth Foster, she was, through all but nineteen beautiful years, March 27, 1890, to February 4, 1909. Her sweet babyhood in the Louisiana home passed normally into a bright, innocent childhood, and then into a remarkably useful girlhood and youth. Through her "teen" years she was superintendent of the Junior Missionary Society and organist of the church in her home community, Sebastian, Florida. It was here that the invitation came to her to join the ranks of the Methodist itinerancy. Doubtless, it was the attraction of this life of sacrificial service as well as the love of her noble young pastor that completely won her heart. God blessed and honored her by giving her and her devoted husband six children—three boys and three girls. Strange Providence it is, that this husband and these six children, her father and mother and two sisters, and the host of fast friends must forever henceforth look away to another world for their next meeting with wife, mother, daughter, sister, friend; but, thanks be unto God, ours is the comfort unspeakable that comes with the Christian's hope.

He who knew her best says: "A truer wife and mother never lived." Really, Sister Dieffenwierth was, in her devotion to her husband, in her dedication of time and thought and strength, yea, her very life, to her children, in her ability to plan and systematize and dispatch all the activities of home, and in her beauty of person and spirit and service for Christ, an unusual woman. Her first request on reaching the hospital was: "Read me the ninety-first Psalm." Her Bible is extensively marked. She loved the Word of God. She entered soulfully in worship each day, with her husband and the nurse, even while she was desperately ill. Until the very last she was forgetful of self and thoughtful of others; unselfishness, which is the essence of Christian living, having become more than her habit of life, it having become her very life itself.

The writer, assisted by Rev. J. B. Rooney, conducted the service in Wesley Memorial Church, Jacksonville, Fla., where a throng which crowded the building and later followed the body to the cemetery paid eloquent and touching tribute to our departed and loved sister. Lavish floral offerings also bespoke most comfortably the deep appreciation and love and felt loss of individuals and societies and churches.

Addie Ruth Dieffenwierth is not dead, but only translated; and she now lives, more richly, more fruitfully, more gloriously than ever she did while here with us. That life that began in Pleasants, Louisiana, thirty and one-half years ago, on October 7th, 1920, underwent a mysterious change that cannot but cause us real and deep sorrow, but even that change we will some day be able to interpret in terms of infinite love. That deeper life that began in the Sebastian revival of 1889 simply continues in all its purity and devotion to the Father's will, supremely happy now in the home that knows no pain or shadow.

Our prayer is that the broken family circle may be completely restored after awhile, and that the broken hearts may be comforted and sustained now and ultimately healed by the adequate and unfailing grace of the loving and Almighty Father.
